Continuation of 3. NOTE: The claims have been amended to include new limitations, for example, independent claim 1 now has the limitation, "as one icon that represents the multiple data items in the , grouped category to which the packed state is assigned." The amendments to the claims will require further search and consideration by the examiner.

Continuation of 11. does NOT place the application in condition for allowance because: The applicant argues that the finality of the rejection dated 16 March 2010 should be withdrawd because the rejection included a new grounds of rejection not necessited by an endment to the claims or based on information submitted in an information disclosure statement filed during the period set forth in 3 CFR 1.17(p). In paragraph 706.07(g) [R-6]. Final Rejection, Withdrawal of, Premature, the MPEP states > Once the finality of the Office action has been withdrawn, the next Office action may be made final if the conditions set forth in MPEP § 706.07(a) are met. Form paragraph 74.2 should be used when withdrawing the finality of the rejection of the last Office action. The final rejection withdrawn was the final rejection of the claims dated 5 August 2009. These claims were amended to change the scope of the invention and would have allowed the examiner to finally reject the claims under new grounds necessitely by amendment to the claims. Therefore, he conditions of MPEP paragraph 7.06.07(a) and it is proper for the examiner to issue a final rejection after withdrawing the finally inclined in fall 8 to Newthers 2009.
